

KU LEUVEN

EUROPE INSIDE OUT

A 2019 summer school unlike any other

Welcome to Belgium, Welcome to Leuven

Belgium is a country of approximately 10 million people, situated between the Netherlands to the north, Germany and Luxembourg to the east, France to the south, and the North Sea to the west. The capital city of Belgium is Brussels, which is also the headquarters of the European Union and NATO.

Some of Europe's leading cities – London, Paris, Rotterdam, Amsterdam, Cologne and Luxembourg – are all situated within a radius of 300 km of Leuven and thus easily accessible by train. But why stay in Leuven? Go and discover other magnificent cities such as Antwerp, Bruges, Ghent and Mechelen, they're all within a short train ride away.

Belgium has a varied climate. Rainfall is mild and stable throughout the year. Summer days are sunny. Average temperature in July: 19°C.

Leuven offers a wide range of entertainment offerings, including theatre, music concerts, discos, clubs and cinemas. In fact Rock Werchter is organized 27-30 June 2019 so you could attend one of the festival days and see your favourite artists. More information: rockwerchter.be/en/
