

Course Selection for Exchange Students - Autumn Semester 2021

At Södertörn University, a semester is divided into four periods (one period is about five weeks, and a whole semester is 20 weeks). All students are expected to study full-time over the whole semester (30 ECTS credits/semester). Also, you can choose one full-time course or two part-time courses per period. Please read the following instructions carefully, fill out this form, save it as PDF, and submit it to your application in the Mobility Online by **May 1**.

Instructions for course selection

- Please visit the website www.sh.se/courses for detailed information about the courses and prerequisites (please see attached Course Selection Guide.)
- If you choose a 30-ECTS course (ex., Comparative Public Law C, Economics B/C, English A/B/C, or Tourism Studies: City Tourism), please select it from the course list of Period 1.
- You can take "Swedish for International students 1, 2 or 3" as a part of full-time study OR an extra course on the top of full-time study load (up to two courses). If you wish to take it as an extra course, please select the check box below.
- *It will not be possible to change your courses after the beginning of the semester, so contact us before the semester starts if you need to make changes.*
